

RUG CARE GUIDE

Handwoven in Morocco.

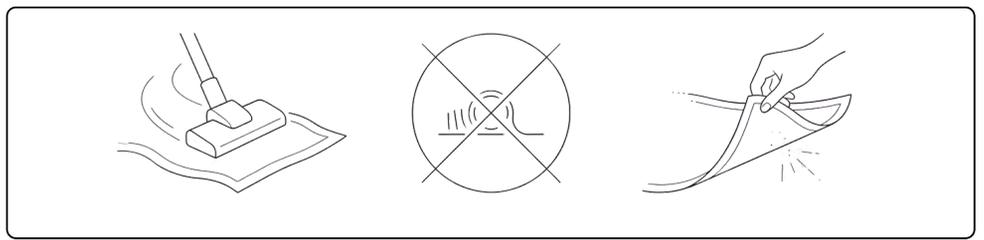

EVERYDAY CARE

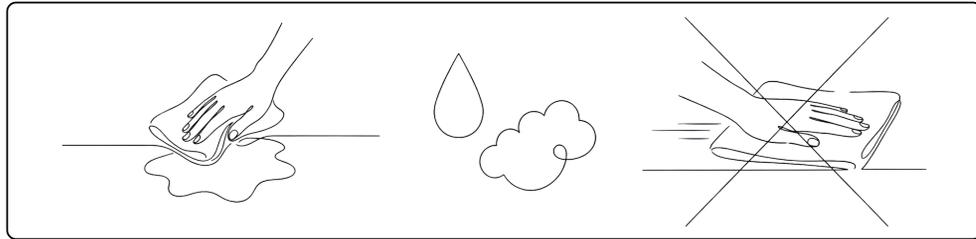

Vacuum gently using low suction

Avoid rotating brushes

Shake lightly to remove dust

CLEANING

For deep cleaning, we recommend professional care

Blot spills immediately with a clean cloth

Use cold water and mild soap if needed

Avoid rubbing to protect the fibers

TRADITIONAL CARE

In Morocco, rugs are traditionally brushed under sunlight to remove dust and revive the wool fibers.

This gentle ritual helps maintain the softness and natural beauty of the rug over time.

Designed to last for generations.
